## IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF SOUTH CAROLINA FLORENCE DIVISION

Robin Lynn Evans,	)
Plaintiff,	C.A. No.: 4:10-cv-00547-RBH
	)
vs.	ORDER
Ray McBride, Director of Florence County Library,	) )
Defendant.	)

Plaintiff, proceeding *pro se*, brought this suit seeking a nullification of a decision to deny Plaintiff use of Defendant's facility. This matter is before the court for review of the Report and Recommendation of United States Magistrate Judge Thomas E. Rogers, III, made in accordance with 28 U.S.C. § 636(b)(1)(B) and Local Rule 73.02 for the District of South Carolina.

The Magistrate Judge makes only a recommendation to this court. The recommendation has no presumptive weight. The responsibility to make a final determination remains with this court. See Mathews v. Weber, 423 U.S. 261, 270-71 (1976). The court is charged with making a de novo determination of those portions of the Report and Recommendation to which specific objection is made, and the court may accept, reject, or modify, in whole or in part, the recommendation of the Magistrate Judge or recommit the matter with instructions.

See 28 U.S.C. § 636(b)(1).

Neither party has filed objections to the Report and Recommendation. In the absence of objections to the Report and Recommendation of the Magistrate Judge, this court is not

required to give any explanation for adopting the recommendation. See Camby v. Davis, 718

F.2d 198, 199 (4th Cir. 1983). The Court reviews only for clear error in the absence of an

objection. See Diamond v. Colonial Life & Accident Ins. Co., 416 F.3d 310 (4th Cir. 2005)

stating that "in the absence of a timely filed objection, a district court need not conduct de

novo review, but instead must 'only satisfy itself that there is no clear error on the face of the

record in order to accept the recommendation." (quoting Fed. R. Civ. P. 72 advisory

committee's note).

After a thorough review of the record in this case, the Court finds no clear error.

Accordingly, the Report and Recommendation of the Magistrate Judge is adopted and

incorporated by reference. Therefore, it is

**ORDERED** that the complaint in the above-captioned case is dismissed without

prejudice and without issuance and service of process.

IT IS SO ORDERED.

s/R. Bryan Harwell
